

MEET YOUR ENDODONTIST

HARKEET S. SAPPAL, DDS

"I believe every patient should be treated as I would treat a member of my family. Therefore, you can always expect honest and comfortable treatment. As your dentist, I will connect with you to help achieve an accurate diagnosis and efficient treatment. Using the latest technology and all of my training, I will strive to provide optimal results on a microscopic level to give us the best chance of saving your teeth."
